TO WHOM IT MAY CONCERN

Attestation Statement

FCC ID: V3TSPC4500; Model SPC4500 (Power Combiner)

The SPC4500 combiner is designed to be used with AKG approved transmitters only.
(e.g. SST4500 with FCC ID: V3TSST4500)

We declare, in our sole of responsibility, that the operating frequencies of the SPC4500 sold in US depend only on the applied dedicated transmitter frequencies from 500 – 608 and 614 – 698 MHz

The end user has no possibility to violate the FCC rule when the combiner is used with US versions of AKG transmitters.

Sincerely,

Markus Lanner
Director R&D
