HARMAN

To whom it may concern:

Wien, 25th September 2012

We hereby declare, that the Handheld Transmitters

DHT70 (FCC ID: V3TDHT70)

and

DHT70 Perception (FCC ID: V3TDHT70P)

are designed, constructed and built the same way.

All electronics and circuits are identical in aspect to EMC and emissions.

Differences can be found only in color and acoustics.
